Senator Lawton Chiles
United States Senate
Committee on Government Operations
Washington, D.C. 20510

Dear Senator Chiles:

I note from the newspapers that Rep. Richardson Preyer, D- N.C. has been appointed Chairman of the sub-committee to investigate the assassination of John F. Kennedy.

As you know, I am the Chief Consultant for the Army in Wound Ballistics and I acted as Consultant and testified before the Warren Commission on 4/21/64 in Washington, D.C.

I have disagreed with many facets of the investigation, especially the one bullet theory and my views are well known on this aspect.

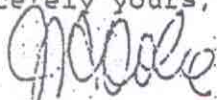

I will be glad to appear before this special committee and give them my thoughts.

I shall appreciate your contacting Rep. Preyer and arrange for this through your office.

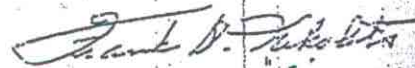

I was asked to send my thoughts to the Sen. Church Investigative Committee, which I did about seven months ago, but that Committee has since been disbanded.

I have asked Mr. Frank Nikolits, Chairman of the Senior Citizens Committee to endorse my request.

Sincerely yours,

JOSEPH R. DOLCE, M.D.

FRANK NIKOLITS,
Chairman, Senior Citizens
Committee
